

# VOLUNTEER PARKING

- As shown on the attached Food Pantry Parking Diagram:
  - V - Volunteer Parking
  - C - Client Parking
  - Gray Area - Private Business Use
- Please do not park in front of the Food Pantry or by the side of Love Chapel. Those parking slots are for our clients.
- The suggested area for our volunteer parking is along the designated gravel area next to South Eastern St. by Awesome Finds & Collectibles. You can enter this business area via State St. Do not park right next to their store for they have reserved this area for their customers.
- Please try to avoid parking in any of the Private Business Areas surrounding the Food Pantry. In the past several businesses have mentioned this and have politely informed us not to park in their area.
